

The background of the entire image is a dense field of 3D-rendered numbers in various shades of blue and white. The numbers are of different sizes and are scattered across the frame, creating a sense of depth and movement. Some numbers are in the foreground, appearing larger and more detailed, while others are in the background, appearing smaller and more blurred. The lighting is soft, highlighting the three-dimensional nature of the digits.

TOLPIT E-COMMERCE

MAKE YOUR BUSSINES
BETTER

TOLPIT E-COMMERCE

INTEGRATION

Full Business solution in no time
Start selling online in short
period
Stock connected with TOLPIT

Full website solution

TOLPIT E-COMMERCE

This new feature is used to connect TOLPIT database with our new SHOP feature inside of TOLPIT.

TOLPIT solution is HTML/CSS/BOOTSTRAP/JS/PHP/PSQL solution which means that you can have any customization.

TOLPIT shop is secured, that means that TOLPIT website will be hosted on LINUX server and it will be protected.

Entering products

Scan Barcode	<input type="text" value="090000000491"/>	Remove Qty = 0	Remove Empty
Type Sunglasses	Brand Oliver One	Description 20211023	Add

- ❖ This step is explaining how to enter product inside of your new shop
- ❖ When you take barcode from one of your items you need to copy it inside of shop setup and press TAB or Enter button.
- ❖ Now you can see how you got same type, brand and model, and next step will be to press Add button to get new picture.

Entering products

Scan Barcode

Or *Description

Remove Qty = 0

Remove Empty

Type	Brand	Description								
Sunglasses	Oliver One	20211023	Remove	Choose Files	Long Description...					Save
Barcode		Color	Size	SPH	CYL	Qty	Cur.	Sale	Loc	
9090000000491		Green	5217			2	EUR	125.00	SHOP	<div>Add All</div> <div>Add</div>
